The VA Office of Inspector General Office of Healthcare Inspections received allegations from [b)(3); 5 U.S.C. App 3 (10 Adm. Code)] regarding elder abuse/neglect at the Hunter Holmes McGuire VA Medical Center, Richmond, Virginia.

The complainant is the wife of a veteran who was a resident of the community living center (CLC) at the Hunter Holmes McGuire VA Medical Center, Richmond, VA. She reports witnessing abuse/neglect, inappropriate medical care, failure to provide proper care, and poor treatment of her husband as well as other veterans at the CLC.

We interviewed the complainant and [b)(3); 5 U.S.C. App 3 (10 Adm. Code)] who had provided care to [b)(3); 5 U.S.C. App 3 (10 Adm. Code)] while he was at the Richmond CLC.

In the course of our work, we discovered that the VHA Office of the Medical Inspector had already opened a case regarding these allegations.

During our interview, [b)(3); 5 U.S.C. App 3 (10 Adm. Code)] also raised issues which were criminal in nature. These issues were referred to Investigations (51).
